Pop-Up Slider Card

(2)
5-1/2" x 4-1/4"
(1) can be smaller, but (1) has to be 5-1/2’ x 4-1/4"

(1)
5-1/2" x about 1/2" wider than your cut opening. Score at 5"

(1)
4-1/4" x 11" Scored at 5-1/2"

- Trace the inside of the rectangle die (centered) you’re using on one of the 5-1/2" x 4-1/4"(or the smaller piece). If you are cutting your own, cut a piece of cardstock 2-1/4' x 3-1/2" and trace that.
- Stamp the sentiment on the bottom centered around trace lines.
- Die cut and glue to the bottom of the other 5-1/2" x 4-1/4" piece.
- Die cut with the rectangle die, making sure the top is NOT cut off. If cutting on your own, line up at 1" and cut 1" to 4-1/2" long ways on both sides. Line up the bottom at 1", cut from 1" to 3-1/4".
- Score at the top of the cut opening.
- Fold the cut opening in half. Burnish.
- Trace the bottom of the opening on 5-1/2" above the score line. Cut along the score line and the trace.
- Glue the cut piece (above the score line) o the bottom of the opening.
- Trace the opening on the card base. Stamp the second sentiment.
